SERVICE REQUEST FORM(SRF)

Format no: ED/FM/45,Rev:01, Dt:22.07.2021

TERMS AND CONDITIONS

- Error detector follows only National/International calibration methods. ED assumes that the calibration methods used by the laboratory and our best measuring capabilities are acceptable to the customer.
- 2. Service charges(Including G.S.T) are 100% payable against proforma invoice by cheque/cash/DD in the name of "ERROR DETECTOR" before release of calibration certificates.
- 3. All items submitted for calibration must be in working condition and free from any damage.
- 4. Bring all the relevant and useful documents that are available with you. All of them will be returned to you after the completion of the job. The documents submitted along with the job will maintained as a confidential document. Items submitted for calibration must be accompanied by the following
- a) Model
 b) SI no
 c) Accessories(including leads and chords)
 d) operating manual
 e) Previous calibration certificate(whenever Possible)
- 5. Error Detector's personnel shall take every possible care in handling of customers instruments.
- ED however shall not be liable for any financial damage and/or legally bound for any damage to customers instruments during job execution at laboratory or site job. Delivery/Collection through courier shall be the responsibility of the customer.
- 6. An items accepted for calibration may be return un-calibrated under circumstances beyond our control, including if the item is found malfunctioning during calibration process.
- Customer has to make own arrangement for taking delivery of their instrument. Certificate
 could be dispatched By post whenever request by the customer, charged beared by
 customer.
- 8. After the completion of the job and issue the certificate, item should be collected within 45 days failing which ERROR DETECTOR Will not be responsible for its safe custody and item will be disposed off as per Error Detector rules. No claim on this regards will be entertained later.
- 9. In case of any dispute the decision of the Director of the laboratory shall be final & binding.
- 10. The conditions are subject to changes/modifications without any prior notice.
- For site calibration ED personnel will visit vendor site before execute of job and charged as par.
 - ED will proceed for site calibration only after getting duly signed SRF from customer end.
- 12. Reprint of calibration certificate will be charged extra as per.
